Now I know just what it feels like to live life for you  
My heart was cold but it don't hurt anymore  
The pain just won't show  
Cause I know I've got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that I know  
I've got these feelings in my heart And it  
burns like the questions that constantly remind me that  
its you

Now I know just why the sunlight gives life to you  
I'm growing old but not in fear anymore  
The change just won't go

Cause I know I've got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that I know  
I've got these feelings in my heart  
And it burns like the questions that constantly remind  
me  
That I know I've got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that I know I've got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that

It feels like home  
It feels like home  
It feels like home  
To me

Cause I know I've got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that I know  
I've got these feelings in my heart  
And it burns like the questions that constantly remind  
me

That I know IÃfÂçâ, -Â™ ve got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that I know IÃfÂçâ, -Â™ ve got these feelings in my  
heart  
And it burns like the questions that constantly remind  
me that its you
