She said:

"It all feels so strange"

I have to admit that I agree

Sometimes it's a mess

But there are wounds bleeding, there are wounds  
healed

And there's a thin line, try to find the balance

Catch the feeling

We could all be kings and queens

Catch the feeling

Some day it'll end

No time to waste, no time to rest

I guess it's top speed everyday

When you bleed, girl, remember that there's a thin line,  
a thin line

Catch the feeling

We could all be kings and queens

Catch the feeling

Some day it'll end

Catch the feeling

We could all be kings and queens

Catch the feeling

Some day it'll end

Try to adapt

You have to adapt

Life is life

You have to learn

Catch the feeling

We could all be kings and queens

Catch the feeling

Some day it'll end

Catch the feeling

We could all be kings and queens

Catch the feeling

Some day it'll end

Catch the feeling  
Catch the feeling  
Catch the feeling  
Some day it'll end
