Me an' Sonny in the Escalade, TV where yo' head lay  
Uptown, Harlem World, seein' [Incomprehensible]  
With some bran bran, got a jaw hit [Incomprehensible]  
Hun'ned Gs for the suit, the hood like, "Oh, man"

Bendin' corna's, twenty-two's, no dubbin'  
That's what you hear 'cause that shit be rubbin'  
I gotta fix that, ooh, damn, who is that?  
Dark skin, five ten, twist an' hella thick

Pull this bitch over, so I can do what I do  
Get digits, call later an' teach you about you  
Mami giggle an' smile, said she diggin' my style  
Country boy, rugged for life, never come off foul

Put you on a team with me  
First class to the Bahamas, the scenery  
When I walked off, she called me back on the scene  
Like, "Who the St. Lunatics an' what them double Bs  
mean?"

The double B stands for the chh chh, boom D boom  
Lunatic bass an' beats, catch ya shakin' the room  
So what, what? Bomp, bomp  
What, what? This shit bomp

The double B stands for the chh chh, boom D boom  
Lunatic bass an' beats, catch ya shakin' the room  
So what, what? Bomp, bomp  
What, what? This shit bomp

I got a size double D waitin' at the double tree for me  
Ecstasy pills, Crissy an' them Swisher sweets  
With enough dough to make a cake from scratch  
We the best, do the knowledge, niggas, face the facts

Draped in black in the back  
With that thing that go, chh chh pat  
Indeed, truck so big  
We gotta pull over to pass the weed, it's a tragedy

How my neck shine in the moonlight  
Give me one chance to show that ass what ya man ain't  
doin' right  
It's a hundred percent chance, mami  
Leave with me, I'm in them pants, mami

Cotton soft, put it in first an' jetted off  
Pumpin' it loud so she can hear Jay-E floss  
While we got it warm, bitches is startin' to swarm  
Lunatic be the chain, double B be the charm

The double B stands for the chh chh, boom D boom  
Lunatic bass an' beats, catch ya shakin' the room  
So what, what? Bomp, bomp  
What, what? This shit bomp

The double B stands for the chh chh, boom D boom  
Lunatic bass an' beats, catch ya shakin' the room

Took a Limo to the airport, got a show down south  
Club one twelve, showin' 'em what that L about  
Holla at my nigga, Ray-Ray  
Drop the top in four, hit the switch, we bumpin' 'Dre  
Day'

Hey, hey, hey, what can I say?  
Hit the liquor store for blunts, gin an' O.J.  
'Cause I just bought a half, Chico dropped it off  
It's sunny, bitches out an' I'm dyin' to floss

Ain't a damn thing that I won't buy  
I don't lie, money to the sky, shop 'til I die  
'Cause you know I got the greenery  
Five Gs in the mall ain't a thing to me

I do that in a minute, gave my wife the Infinite  
Dubbed it up, fuck ballin', nigga, I'm winnin' the pennet  
Now that we in it, you know that we gon' do it fo' sho'  
Before we go, let me tell you one thing that you should  
know

The double B stands for the chh chh, boom D boom  
Lunatic bass an' beats, catch ya shakin' the room  
So what, what? Bomp, bomp  
What, what? This shit bomp
