If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came

I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came

I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

Make way for the new breed of this millennium  
Stack chips, keeps the pistol grip, why?  
'Cause I'm offendin' 'em rocks, nothin' but Cavada shit

I'm the baddest, the ice from head to toe with that plaid  
shit

Mo' potent than I cut cocaine through your vein off the  
hook

Take a look, I'm the chick, I can't be tamed  
One name like the highest breed, papi capeche?

One drove home from Italy, is y'all feelin' me?  
Be a mistress to none but all good to some  
Let me break you off a little, show you how it's done  
Eyes trip for this goddess, gambino got your funds  
And some fish are coppin' flights for me to Reno

I see no other way for me to tell you how I feel  
You wanna stick and move now you're fuckin' with the  
real deal

Hold still, let this lady let loose  
Keep them chips comin' nigga or your neck'll catch a  
nuece

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came

I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came  
I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

Now y'all know me, I like an old school Ozzie Smith  
jersey  
Old school Jordans, head band that says "Murphy"  
Stone washed, baggy as hell, double XL with the sleeve  
off

On my way to drop a few G's off, ease off  
Doin' thirty-five, smokin' fire, makin' a right  
I'm doin' thirty now, riskin' my life  
Both clients on my cell phone, typin' on my two-way  
Rollin a blunt, still drivin', lookin' at movies

Young Dude, be floatin' the city like cab drivers  
Professional but still keep it real like Allen Iver son  
I'm liver than Jay, Dave and Kathy and Regis  
Been on more MTV shows than Butt head and Bea vis

Keep a stash with the gas money  
Fast money, me and Slo Down  
We almost had to buy up the town  
It's like a movie, ooh wee, doobies in at a jacuzzi  
Girls do what I say so I just tell 'em to do me

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came  
I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came  
I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

Ay, you know where my chains comes from, I spits fire  
You know what them girls look at dirty, my big tires  
My attire forty-two large denim, I sag in 'em  
Dress eyes and ride hot rides and Jags in 'em

Let him talk his jazz, what's the tag gon' get 'em?  
While I hit him in clutch time, roll up his dutch time  
"No more herb", no such line, "oh oh" is my punch line  
I'm hungry like a hobo standin' in lunch lines  
Crossed the gun line, boss, like Ray and Claud

I know niggas that make they money, they pay they  
broads  
I'm from the Lou, kinda new, I'm a make my laws  
When I pull up on the show lot, it be, it's like pause

(Ay, where yo' Range at?)  
It's outside you wanna clean it?  
(Ay, where yo' name at?)  
It's in The Source, you ain't seen it?  
(Ay, where yo' chains at?)  
You can't tell dirty, I'm sparklin'?  
Split it, fill it up, wrap it and spark it

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came  
I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang

If you like big thangs, put your hands high as you can  
Get your shit man, make no difference from where you  
came  
I ain't ballin' out here, no, I ain't playin' no games  
I got a new name for niggas with chains, jang a lang
