Hua chhokra jawaan re

Hua chokra jawaan re

Hey hey, hey hey, hey hey

Arrey chooza choon-choon karta hai, galiyon aur chaubaro mein  
Phenka phaanki karta phire tu toh apne yaaron mein

Phenka phaanki kuch nahin sach baat jo bayan ki  
Dhahaad hai jawaan ki mardangi mastane ki  
Oye, ab tu bhi maan le, naino ke jaam de  
Oh aaja re aaja ja re aaja re aaja

Hua chhokra jawaan re jawaan re jawaan re  
Hua chhokra jawaan re, hua chhokra jawaan re

Haan mere munna, baat sunn na  
Yeh jawani nahi koi khilauna  
Pehle jao, seekh ke aao  
Pyaase naino ki pyaas ko bhujaana, hoye  
Tabhi-toh tabhi-toh tabhi-toh tabhi-toh hoga mua chhokra jawaan re  
mua chhokra jawaan re

Oh chand baby, jo chance degi, kyun doon  
Pyaas kya hai main bhokh bhi mita doon  
O hum hain seekhe, aur sikhaaye  
Nain kya hai poore tann ko main bhiga doon  
Oh aaja re aaja ja re aaja re aaja aa

Hua chhokra jawaan re, hua chhokra jawaan re  
chhokra jawaan hoon main, lyss hoon jawaani se  
Bore ho gayi hoon main teri lantarani se ho ho  
Thaam le kalaaiyaan ussi ko jawaan maanu main  
Oh din dahaade tujhko tujhi se aa chura loon main  
Chal-chal bohat dekhe hain

Danke ki chot pe, re seena thok ke

Aaja re aaja ja re aaja re aaja  
Hua chhokra jawaan re jawaan re jawaan re hey..  
Kya gaata hai! Kya gaata hai!

Oh chooza choo-choo karta hai  
Dhahaad hai jawaan ki  
Arrey pheenska bhaagi karta hai  
Mardangi mastan ki

Karne pe jo aaun, sagar mein barsaun  
Baaton ke badshah, barsa ke toh dikha  
Beh jaayegi deewani, teri mast jawani  
Bhadkegi chingari, laptegi chingari  
Haye teri yeh adaa, main ho gaya fida  
Chal tu sach main jawaan na hona mujhse judaa  
Main fida fida fida  
Na hona mujhse juda
