You're always talking about something  
You're always talking about nothing  
Well shut up  
I don't care about you  
Just shut up  
I'd rather be without you  
Shut up  
Shut up  
Shut up  
I do not mind this stupidity  
I do not mind this insanity  
Well shut up  
I don't care about you  
Just shut up  
I'd rather be without you  
Shut up  
Shut up  
Shut up  
Pyre in the sky  
Fire in your eyes  
Blood on the pavement  
Shut up, baby, baby  
Shut up, baby, baby  
Shut up, I don't need you at all  
Pyre, baby, baby  
Fire, baby, baby  
Blood, I don't need you at all  
Shut up
