Verse 1

I'm getting sick and tired of the games you play with
me,
only thing i want is somebody to love me for me.
When we talk on the phone and you said you wanted to
be
with me,
Baby can't see that i'm going Krazy.

Hook

OOh, is it me
cause I all wanna do is spend sometime
to get it right,
oh you the reason why, you the reason why

Chorus

I'm going crazy, waiting on you, wasting my time, all
over
you
you the reason why I'm losing my mind and all cause of
you.

I'm going crazy, waiting on you, wasting my time, all
over
you
you the reason why I'm losing my mind and all cause of
you.

Verse 2

I don't what you done to me and i don't know what to
do,

cause I only wanna do is spend some time
to get it right,
oh you the reason why, you the reason why.

I'm going crazy, waiting on you, wasting my time, all

you.
