#### 1st Verse

Don't need much change jingle-janglin' in my pocket  
I don't need that widescreen plugged over in that  
socket  
Well, I can't buy you those cool blue jeans  
It's all nice, but those are just things  
When it comes down to it  
Maybe all that I need is to

#### Chorus

(Hold you) (To be held) tight, a kiss each night  
Once a week, a long, slow drive  
Out into the countryside  
Lay a blanket 'neath the sky  
Where you and I can dream out loud  
Our heads stuck up in the clouds  
(With) you there lyin' next to me  
That's all I need  
That's all I need  
That's all I need  
You're all I need

#### 2nd Verse

Don't need nobody tellin' me how to be happy  
Don't need Hollywood throwin' fantasies at me  
Don't need my own space just so I can breathe  
Yeah, I'm happy just lettin' it be  
I got all that I want  
Baby, all that I need is

(Repeat Chorus)

#### Bridge

They can take all that I have  
But I still have everything  
Just as long as I know all you need is

(Repeat Chorus)
