"Canada Day, Up Canada Way"

Visit "[Canada Day, Up Canada Way](#)" on MotoLyrics.com

It's Canada Day up Canada Way on the first day of July.
And we're shouting hooray up Canada Way when the
maple leaf flies high.
Where the silver jets from East to West go streaming
through our skies.
We'll be shouting hooray up Canada Way when the
great parade goes by.

Chorus:

Oh Canada, standing tall together,
We'll raise our hands and hail our flag
The maple leaf forever.

It's Canada Day up Canada Way on the coast of
Labrador.
And we're shouting hooray up Canada Way on the
white Pacific shore.
People everywhere have a song to share on Canada's
holiday.
From P. E. Island to the sunny south to the North Pole
far away.

Chorus...

It's Canada Day up Canada Way on the long cold
winters done.
And we're shouting hooray up Canada Way for the
great days yet to come.
Where maple trees grow maple leaves when the
Northern sun is high.
We're Canadians and we're born again on the first day
of July.

Chorus...

It's Canada Day up Canada Way from the lakes to the
prairies wide.
And we're shouting hooray up Canada Way on the St.
Lawrence river side.
People everywhere have a song to share on Canada's
holiday.

From P. E. Island to the sunny south to the North Pole
far away.

Chorus...

We'll raise our hands and hail our flag
The maple leaf forever.
