I've been all across this country

From the East coast to the west

And I've been asked about a thousand times

What places I like best

Well I've had to base my answers

On the friendly people I've found

And if you're inclined to take the time

This is where you'll find my stompin' grounds

Just take a little piece of P.E.I & old Saskatchewan

Nova Scotia & New Brunswick, we're back in  
Newfoundland

Alberta & Manitoba

Ontario & B.C

And you'll have found the stompin' grounds of all my  
friends & me

And you'll have found the stompin' grounds of all my  
friends & me

Now there was a time with a buddy of mine

When a freight train was our load

And we found people in this here land that would help a  
guy along the road

Some of them lived in the country

And others lived in town

But these are the people that made me proud

To say this is my Stompin' Ground

Just take a little piece of P.E.I & old Saskatchewan

Nova Scotia & New Brunswick, we're back in  
Newfoundland

Alberta & Manitoba

Ontario & B.C

And you'll have found the stompin' grounds of all my  
friends & me

And you'll have found the stompin' grounds of all my  
friends & me

And now you've heard my answer

It's one I hope you'll understand

It's just my way of kinda sayin' Thank You to the people  
of this land

And it doesn't matter really where you're from

Ya can spread the word around

For where ever you find a heart that's kind

You're in a part of my stompin' ground

Just take a little piece of P.E.I & old Saskatchewan

Nova Scotia & New Brunswick, we're back in  
Newfoundland

Alberta & Manitoba

Ontario & B.C

And you'll have found the stompin' grounds of all my  
friends & me

And you'll have found the stompin' grounds of all my  
friends & me

Just take a little piece of P.E.I & old Saskatchewan

Nova Scotia & New Brunswick, we're back in  
Newfoundland

Alberta & Manitoba (fades out)
