Goodbye Rubberhead, so long boob!  
Go and blow your inner-tube!  
I got a brand new sugar cube  
So, Goodbye Rubberhead, so long boob!

I told my baby nice  
Please don't flirt around  
And don't give eyes to other guys  
It makes my poor heart pound.

And as I told her nice  
Please don't make me dread  
She winked her eye at another guy  
And when they left here's what she said:

Goodbye Rubberhead, so long boob!  
Go and blow your inner-tube!  
I got a brand new sugar cube  
So, Goodbye Rubberhead, so long boob!

I phoned my baby twice  
To say she hurt me bad  
And asked her when she's free again  
To make my poor heart glad

Oh yes I phoned her twice  
And as with her I plead  
She left me alone, on the buzzin' phone  
With a memory of what she said

Goodbye Rubberhead, so long boob!  
Go and blow your inner-tube!  
I got a brand new sugar cube  
So, Goodbye Rubberhead, so long boob!

Well I took me some good advice  
And met me another girl  
And just to walk with her one block  
It Sets my heart to a whirl

And when we met my ex

Well did her face get red!  
She must have burned at the way I turned  
My nose up in the air and said:

Goodbye Rubberhead, so long boob!  
Go and blow your innertube!  
I got a brand new sugar cube  
So, Goodbye Rubberhead, so long boob!

Goodbye Rubberhead, so long boob!  
So long boob x2  
Ba, ba, boo, boo...
