When the moon gives her light

On the harbour tonight

We'll dance the Maritime Waltz

When the boats are tied in

And we're together again

We'll dance the Maritime Waltz

The fiddles will play

And our hearts shall be gay

For tomorrow the sea again calls

So kiss me once more

While I am ashore

And we'll dance the Maritime Waltz

When the moon gives her light

On the harbour tonight

We'll dance the Maritime Waltz

When the boats are tied in

And we're together again

We'll dance the Maritime Waltz

The fiddles will play

And our hearts shall be gay

For tomorrow the sea again calls

So kiss me once more

While I am ashore

And we'll dance the Maritime Waltz

We'll dance to the Maritime Waltz
