It's Wintertime and the weather's fine
The snow on the woods and fields when I reveal... my
snowmobile
Thrill by thrill by golly n' hill
Baby it'll make ya feel like an outdoor meal...
On a snowmobile

-up

Listen to the sound when the belts go round '
When the winter carnival's here...
And oh what fun at the crack of the gun
When the whole gang disappears...

verse

The race is on from the bush to the pond
And back where the judges's feel you've won their
seal...

For the snowmobile

You've won their seal... for the snowmobile

Where skier's ski, and skater's be and snowshoes lend
appeal

Like a bogie wheel,... On a snowmobile

We tip the glass to the northern lass for she won't let ya
kneel

She'd rather squeal -...on a snowmobile

-up-

You're off to the town where the word goes round

It's winter carnival time

In goggles, boots, and a snowproof suit Your
sweethearts on your mind

Ya win the race and you see her face and you know that
she must feel

You've got a real... good snowmobile- repeat

Now down the street U can hear the beat & the clickin
of the dancer's heel

When the fiddler's peel... off a ragtime reel

You dance and tear with an "I don't care

On the way back home you'll wheel-over hill and field -

On a snowmobile

up-

Through the golden glow on powdered snow

When the moon comes rolling along

On a homeward trail U can hear the wail of the whole
gang singing a song..

If tomorrow's clear with fishin gear
We'll head for a lake trout meal With a rod and a reel-
and a snowmobile
Life can be real with a snowmobile There ain't no deal
like a snowmobile
