SOMEWHERE IN LOUISIANA**VERSE 1**

Beautiful indigo sunset
The wind seems to whisper her name
Rainbows of color and rivers of rain
The morning doves singing their mournful refrain

CHORUS 1

Somewhere in Louisiana
Someone is holding her tight
Someone is saying what I should have said
Someone is tearing my heart strings to shred

VERSE 2

They say the summer's so steamy
But the winters are mild like a breeze
I could have loved her had I only tried
What I would give now were she by my side

CHORUS 2

Somewhere in Louisiana
Someone is kissing her lips
Someone is saying her name with a sigh
I feel the loss but I'll hold it inside

CHORUS 3

Somewhere in Louisiana
Somewhere inside of a dream
Someone is thinking about her tonight
Writing these words in the late evening light
