Gakupo- Now, dancing at the palace
The shrine maiden of black hair and purple clothing
Now, dancing at the palace
The navy blue night and the golden fan

From within the sake cup, drink up the moon
If the moon is captured, this fan is on the moon

Gakuko- Now, dancing at the palace
The shrine maiden of black hair and purple clothing
Now, dancing at the palace
The navy blue night and the golden fan

From within the sake cup, drink up the moon
If the moon is captured, this fan is on the moon

Gakupo- I stare into those scarlet eyes
Having taken out a silver knife
My objective is to kill
Is that why I must put an end to the shrine maiden?

Gakuko- I stare at him with my scarlet eyes
Having taken out a silver knife
I'll stop his breath
A mad raven sings somewhere

From within the sake cup, drink up the moon
If the moon is captured, this fan is on the moon

Gakupo- Playing the melody of the moonlight
The silver sword danced in the air
I am dyed red with my own blood
Like the surface of a lovely flower

Gakuko- Playing the melody of the moonlight
The silver sword danced in the air
He is dyed red with his own blood

A mad raven sings somewhere

Obeying the darkness and the shadows

A flash of purple clothing

The scent of his blood is like aloes-wood perfume

The moon gives off the sparkling brocade

The pure light rises in madness
