Both- Upside down reverse rainbow,
While you still are singing,
A melody only for you,
Makes the world go swinging.
(repeat)

Rin- If you use the same excuse every time you'll end up suffocating,
Miku- More words don't change any part of your fake music's melody,

The sky (drowns in) dark clouds (stretching over the sun)

Rin- I will be better than them,

Both- Upside down reverse rainbow,
While you still are singing,
A melody only for you,
Joy for one is ringing!

~Yay!~

Rin- If the world changes to the sound of the falling rain outside,
Miku- All of us will turn into blue and yellow specs of dust.

I said (that I) made it (into seven different colors)
(Why is) it different now?
I want you to see that you,
Rin- Don't have your umbrella
Miku- With you in the cold rain,

Both- Upside down reverse rainbow,
While you still are singing,
A melody only for you,
I'm sorry I left you bringing,

Upside down reverse rainbow,
While you still are singing,
A melody only for you,

Joy for one is ringing!

Upside down reverse rainbow,
A melody only for you,

Rin- Enjoyable,
Miku- Sorrowful,
Rin- Happiness,
Miku- Loveless,

La, la, la, la-la, la~
La, la, la, la, la~
~Yay!~
