Now listen this aint no make believe
Come on open your eyes and see
Now get up get up and follow me
And Im gonna show you what the future will be too
much wasting time and your gonna waste no more
loving this now take this knock off hay
Come for you yah I'm gonna make you pay
Lay down yah ow uh yah that's what I'm saying
watch me I'm changing your heart today
Cause you know the best of this place hay
souldn't never show that play cause I collect the
mistake that you made to much wasting time and your
gonna waste no more you got nothing to say so why do
you keep talking for try acting the word you say
I know won't get far ah come on now you know what I'm talking
about give some yah there we go hay you want a yes
eh I'll give you no come on now to much small
talk coming from your sencless
mine your time is pass and now the world is mine yah
you know what I'm talking about im here to call yah
long and be your friends yah come on put it down hay
eh put a show on thinking wrong hu i put you down yah
now you gone see you back home too much wasting
time and your gonna waste no more you got nothing to
say so why do you talking for know won't get far yah
going home yah you may as well hay yeah umm yah
I'm talking at you too much wasting time and your
gonna waste no more you got nothing to say so why do
you talking for know won't get far stop wasting my time
wasting my time yah go home yeah yeah wasting time
baby yeah
