Last night I went to a party held my head up high
Said hello to old friends wore a happy smile
And nobody knew I was hurtin' cause heartache you
can't see
Guess I fooled everybody everybody but me everybody
but me
I listened to their little jokes even laughed out loud
But oh how I miss someone not being with the crowd
Yet nobody knew I was crying here's in my memories
Guess I fooled everybody everybody but me everybody
but me
[ac.guitar]
I listened to their little jokes...
