One day the train was passin' I caught it crawlin' by  
To look this old world over under God's blue sky  
My darling stood there weeping as I was looking back  
I kissed my baby cryin' in the smoke along the track  
Goodbye so long until I come back home you'll be my  
dream  
Goodbye so long there's lots of places that I've never  
seen  
I'll always be a drifter but I'll be driftin' back  
To where I left you cryin' in the smoke along the track

I like to keep on goin' it helps me when I'm blue  
I get the urge to travel that's all I want to do  
I know I just can't settle down because I like to roam  
And when I hear that whistle blow I've gotta move along  
Goodbye so long there's something down the track  
keeps calling me  
Goodbye so long I guess that's just the way I'll always  
be  
So when I get that feeling don't try to hold me back  
I'll only leave you cryin' in the smoke along the track  
I know my baby loves me I love my baby too  
But she don't understand me when I'm feeling blue  
And when I hear that whistle blow I hurry home and  
pack  
And leave my baby cryin' in the smoke along the track  
Goodbye so long I hate to leave you but I've gotta go  
Goodbye so long it's coming now just heard that  
whistle blow  
It'll be here in a minute you'll wave and I'll look back  
I'm gonna leave you cryin' in the smoke along the track
