Take these chains from my heart and set me free
You've grown cold and no longer care for me
All my faith in you is gone but these heartaches linger
on
Take these chains from my heart and set me free

Take these tears from my eyes and let me see just a
spark of the love that used to be
If you love somebody new let me find a new love too
Take these chains from my heart and set me free
[piano]
Give my heart just a word of sympathy be as fair to my
heart as you can be
Then if you no longer care for the love that's beating
there
Take these chains from my heart and set me free
Take these chains from my heart and set me free...
