After all I've done you still love me
You still show that I'm your only one
Putting off with me I know takes everything
But don't think that I'm not thankful for your love

Many times I know your heart I've broken
And I'm so ashamed for things I've done
Someone like me just don't deserve a girl like you
But don't think that I'm not thankful for your love

I'm not proud that I have seen you crying
Over something that I have said or done
I've done so many things that I'm not too proud of
But don't think that I'm not thankful for your love
[steel]
I'm not proud that I have seen...
