"Break On Through"

You know the day destroy the night
Night divides the day
Tried to run
Tried to hide
Break on through to the other side,
Break on through to the other side,
Break on through to the other side, yeah.

We chased our pleasure here
Dug our treasures there
Can you still recall the time we cried?
Break on through to the other side,
Break on through to the other side.

Everybody loves my baby,
Everybody loves my baby.
She gets, she gets,
She gets, she gets high...

I found an island in your arms,
A country in your eyes,
Arms that chained us, eyes that lied,
Break on through to the other side,
Break on through to the other side,
Break on through...

Made the scene from week to week
Day to day, hour to hour
The gate is straight, deep and wide
Break on through to the other side,
Break on through to the other side,
Break on through, break on through,
Break on through, break on through,
Break, break, break, break...
