"Close To You"

Visit "[Close To You](#)" on MotoLyrics.com

I want to get close to you, baby, like black on white
Close to you, baby, like the coldest of ice
Close to you, baby, like a Siamese twin
Close to you, baby, like I'm feeling alright

I want to get close to you, baby
Well, close to you, baby
Close to you, baby
I don't know what to say or do

I want to get close to you, baby, like the sight of your
eye
Close to you, baby, like the heat is to fire
Close to you, baby, close as I can get
Close to you, baby, like the water is wet

I want to get close to you, baby
I said, close to you, baby
Close to you, baby
Don't know what to say or do

I want to get close to you, baby, till I'm feeling alright
Close to you, baby, gonna love you all night
Close to you, baby, in the New York City
I love you so much, poor man, you know it's so pity

I want to get close to you, baby
I said, close to you, baby
I want to get close to you, baby
Don't know what to say or do, well

I want to get closer and closer, baby
Closer and closer, baby
Closer and closer, baby
Closer and closer, baby

I want to get close to you, baby
I don't know what to say or do

Well, closer and closer, baby
Closer and closer, baby

Closer and closer, baby
Closer and closer, baby

I want to get close to you, baby
Oh, baby, we love you and you make me feel alright
Make me feel alright, make Roby feel alright
And you make Jon feel alright and you make Jim feel
alright

And we want to love you so much till you
And I don't know what to say or do
