"Go Insane"

once i had a little game
i liked to crawl back in my brain
i think you know the game i mean
i mean the game of going insane...oh

oh, you should try
this little game
just close your eyes
forget your name
forget the world, forget the people
and you'll erect a different steeple

this little game is fun to do
just close your eyes
i'm going too
and i'm right here
no way to loose
release control
i'm braeaking through

once i had a little game
i liked to crawl back in my brain
i think you know the game i mean
i mean the game of going insane...oohhh
