She lives on love street  
lingers long on love street  
she has a house and garden  
i would like to see what happens

she has robes and  
she has monkies  
lazy diamond-studded flunkies  
she has wisdom and  
knows what to do

she has me and she has you

she has wisdom and  
knows what to do

she has me and she has you

i see you live on love street  
there's a store where the creatures meet  
i wonder what they do in there  
summer sunday and a year  
I guess i like it fine  
so far

she lives on love street  
lingers long on love street  
she has a house and garden  
i would like to see what happens
