You know the best things in live are free  
You can give it to the bears and bees  
I want some money  
Yeah yeah  
I want some money  
Yeah yeah

You all give me such a thrill  
But your loving can't pay no bill's  
I want some money  
Yeah  
I want some money  
Yeah yeah  
One time

You all give me such a thrill  
But your loving can't pay my bill's  
I want some money  
Yeah  
I want some money  
Yeah allright

I want some money  
Give me some money  
More money babe  
I want some money  
Yeah yeah  
One more time

I want some money  
More money babe  
Money  
I like some money  
I want some money  
Allright
