Let's swim to the moon, ah ha  
Let's climb through the tide  
Penetrate the evenin' that the  
City sleeps to hide  
Let's swim out tonight, love  
It's our turn to try  
Parked beside the ocean  
On our moonlight drive

Let's swim to the moon, ah ha  
Let's climb through the tide  
Penetrate the evenin' that the  
City sleeps to hide

Let's swim out tonight, love  
It's our turn to try  
Parked beside the ocean  
On our moonlight drive

Let's swim to the moon  
Let's climb through the tide  
You reach your hand to hold me  
But i can't be your guide

Easy, i to love you  
As i watch you glide  
Falling through wet forests  
On our moonlight drive  
Moonlight drive  
Moonlight drive

Come on, baby, gonna take a little ride  
Goin' down by the ocean side  
Get real close  
Get real tight  
Baby gonna drown tonight  
Goin' down, down, down, down  
Goin' down  
Goin' down, way down  
Down, down, down, down, down  
Down, baby low

Children of the caves will let the  
Secret fires glow

When the still sea conspires an armor  
And her sullen and aborted  
Currents breed tiny monsters,  
True sailing is dead.

Awkward instant  
And the first animal is jettisoned,  
Legs furiously pumping  
Their stiff green gallop,  
And head bob up  
Poise  
Delicate  
Pause  
Consent  
In mute nostril agony  
Carefully refined  
And sealed over.

Easy, to love you  
As i watch you glide  
Yeah, we're falling through wet forests  
On our moonlight drive  
Moonlight drive Moonlight drive Moonlight drive Thank  
you, thank you!
