Summer's almost gone,  
Summer's almost gone,  
Almost gone,  
Yeah, it's almost gone.  
Where will we be  
When the summer's gone?

Morning found us calmly unaware,  
Noon burn gold into our hair,  
At night, we swam the laughin' sea.  
When summer's gone,  
Where will we be?  
Where will we be?  
Where will we be?

Morning found us calmly unaware,  
Noon burn gold into our hair,  
At night, we swam the laughin' sea.  
When summer's gone,  
Where will we be?

Summer's almost gone,  
Summer's almost gone,  
We had some good times,  
But they're gone,  
The winter's comin' on,  
Summer's almost gone.
