

Doors, The "The Movie"

The movie will begin in five moments

The mindless voice announced

All those unseated will await the next show.

We filed slowly, languidly into the hall

The auditorium was vast and silent

As we seated and were darkened, the voice continued.

The program for this evening is not new

You've seen this entertainment through and through

You've seen your birth your life and death

you might recall all of the rest

Did you have a good world when you died?

Enough to base a movie on?.

I'm getting out of here

Where are you going?

To the other side of morning

Please don't chase the clouds, pagodas

Her cunt gripped him like a warm, friendly hand.

It's alright, all your friends are here

When can I meet them?

After you've eaten

I'm not hungry

Uh, we meant beaten

Silver stream, silvery scream

Ooooooh, impossible concentration.
