I'm a spy in the house of love
I know the dream, that you're dreamin' of
I know the word that you long to hear
I know your deepest, secret fear

I'm a spy in the house of love
I know the dream, that you're dreamin' of
I know the word that you long to hear
I know your deepest, secret fear

I know everything
Everything you do
Everywhere you go
Everyone you know

I'm a spy in the house of love
I know the dream, that you're dreamin' of
I know the word that you long to hear
I know your deepest, secret fear
I know your deepest, secret fear
I know your deepest, secret fear

I'm a spy, I can see
What you do
And I know.
