"You Make Me Real"

I really want you, really do.
Really need you baby, God knows I do.
'Cause I'm not real enough without you;
Oh, what can I do?
You make me real.
You make me feel, like lovers feel.
You make me throwaway mistake and misery.
Make me feel love, make me free.

I really want you, really do.
Really need you baby, really do.
Well I'm not real enough without you;
Oh, what can I do?
You make me real.
Only you baby, have that appeal.
So let me slide in your tender sunken sea.
Make me feel love, make me free.

Roll now, baby, roll
Yeah, roll now, baby, roll
You gotta roll now, baby, roll
Roll now, baby, roll
You make me real, alright.
You make me feel, like lovers feel.
You make me throwaway mistake and misery.
Make me feel, make me free.
Make me free, You make me free.
