Aren't you cute you living doll?
Oh, behind your eyes no life at all.
Oh, Yeah.
Gigglin' and wigglin' in skintight clothes.
You're all thick in a gaggle of jailbait hos
And you go to the bathroom together to put some
powder up your nose
You stupid little girl.

So sweet and nasty, you're just a backstage candy
Oh tell me why do you like being used, wasted and
abused in this phoney world?
You're just a stupid little girl.

abused in this phoney world?
You're just a stupid little girl.
You're just a stupid little girl.
You're just a stupid little yeah-yeah-yeah...
Yeah-yeah-yeah.

Sweet and nasty, you're whatever may be
But tell me why do you like being used, wasted and
abused in this phoney world?
You're just a stupid little girl... girl...
Tell me why do you like being used, wasted and
abused in this phoney world?
You're just a stupid little...
