When I told you good bye  
I thought you'd go wild, crying  
Beg me to change my mind but you seemed alright,  
alright  
But now that we are all over  
You've got this great new lover  
And she's got her shit all together  
And you're looking better than you ever did with me

So now I want you to die  
I want you to die yeah  
I want you to die because you're alright

Now I know I will never get you back  
So I got a plan me a sneak attack  
So you better watch your back  
When you go out tonight  
With your little miss right

Cuz I want you to die  
I want you to die yeah  
I want you to die because you're alright  
Because you're alright

I thought you needed me  
Turns out I needed you  
Turns out the best thing to happen to you was losing  
me  
Now you're doing fine  
In fact you're doing great  
I'm choking on my pride  
And on my hate  
I can't wait for your demise  
I want you to die!  
I want you to die!  
I want you to die!

How I wish your life had ended  
Very same day that I befriended  
Somebody that I love more than my very life

So now I want you to die  
So now I want you to die  
So now I want you to die  
So now I want you to die  
I want you  
Oh I want you  
I want you to die, yeah  
I want you to die  
Please oh my god  
I want you to  
Please oh my god  
I want you to  
Please oh my god  
I want you to die  
Because you're alright  
My god I want you to die
