=====

Why do you play so fast...to be cool?
If you think you'll last....you're just fools
Trying to be something...that you're not
And all you do is fill our ears...with rot

You claim to play hardcore
Well that's a bunch of shit
You're just a bunch of snot nosed kids
A real group of tits
You make the bed you lay in
I bet it's made of shit
You think you're all so macho
I bet you all have clits

You're just a douche crew
You're just a douche crew
You're just a douche crew
FUCK YOU!!

We offered you our hands
You just turned your backs
You're just a bunch of poser douchebag faggot
dickless hacks
Wearin all their douchy clothes
They love to watch each other pose
They're all the same, so fuckin lame
We'll shove their spikes right up their holes

You're just a douche crew
You're just a douche crew
You're just a douche crew
FUCK YOU!!
You make the bed you lay in
I bet it's made of shit
You think you're all so macho
I bet you all have clits

You're just a douche crew
You're just a douche crew
You're just a douche crew
FUCK YOU!!
