=====

You've seen them in the front  
At every fuckin show  
Fist bangin maniacs  
With heads that move so slow  
Who wants to see a fist  
Right in their fuckin face  
They should learn to mosh  
Or leave this fuckin place

Fist Banging Mania  
Fist Banging Mania  
Fist Banging Mania  
Fist Banging Mania

You know that they mean well  
But still it makes you frown  
Why cant they really thrash  
And put their fist bangs down  
Save that fist bang shit  
For bands like Motley Crue  
Or when you come to see us,  
We'll dive on top of you
