====

I woke up, can't wait to eat
Got my cereal, boy was I beat
Opened the fridge, and to my dismay
There was no milk, my mom will pay

I WANT SOME MILK, my coffee grows cold
I WANT SOME MILE, I shoulda been told

I wish i had some god damn milk
My cheerios just aint the same
I wish I had some god damn milk
Too bad the milkman never came

I cant go out to the store
I'll just wait, til mommy buys more
I'll just have, wheat thins and beer
If I get sick, the toilet is near
I WANT SOME MILK, my coffee grows cold
I WANT SOME MILE, I shoulda been told

I wish i had some god damn milk
My cheerios just aint the same
I wish I had some god damn milk
Too bad the milkman never came

I WANT SOME MILK, my coffee grows cold
I WANT SOME MILE, I shoulda been told
