Moonlight softly covered the garden  
Picked out a silvery glittering stone  
No breeze to ruffle grass and leaves  
No sound from the village to disturb the peace  
Yabu he's in meditation  
And nearly banned his thought's at all  
Finally he can hear the scream  
"Scream, scream for my lust!"  
Heat crept up to his loins  
His breathing grew heavy  
He pays attention to what they say  
Dawn will break soon  
In the garden of pain  
Silvery shines the moon  
In the garden of pain  
The scent of the ocean filled the air  
Disturbed by the smell of burning flesh  
The victim screams and Yabu moans  
Inside the house his virgin was waiting  
He heard no he saw  
The man boiling alive  
Slowly dying for him  
[Chorus]  
[Chorus]  
You can feel it too  
In the garden of pain
