So hard to say goodbye
Meaning it today
I've said goodbye before
Leaving you alone
By the sea

We were thrown together
A world unlike our own
Believing in each other
We drifted far away
By the sea
By the sea

Some may say
Love comes easy
Unlike love
Ours was empty

Insincere and ever fading
Your words and love
Left me lonely
One-sided love
Is lost before it's found
A chance that my love
Will never become, never become

Someone else will love me
Though I may think of you
It doesn't really matter
'Cause all my love was lost (by the sea)

In time I may forgive
Or tell myself a lie
And leave what never was
Another chance to be (by the sea)
By the sea

By the sea
