I said what do you want
I said what I think you better go
Where the lights are low now
Try to come to blow
Play you one more song now
You wanna know the score
You're just a bag of trouble
You haven't got a clue
Your face ain't too humble

Do you wanna do it
Do you wanna do it
Do you wanna do it again
Do you wanna do it
Do you wanna do it
Do you wanna do it again

Yeah, lookin' for a home
Lookin' for some money
Sugar daddy gone
You gotta work now, honey
