Verse 1

What if I do?

What if I don't?

What if I fall when I try to move?

I'm numb to it all.

I just want to feel again,

That there's something more worth holding on to.

Chorus

So all that I do,

I do it for you,

For You, oh, oh, love!

And all that I do,

I do it for you,

For you.

Verse 2

Don't tell me I'm wrong,

When I know that it's right.

I have been waiting all my life

And now that you're here

I've fallen to your love

You're the something that's worth holding on to.

Chorus

And all that I do,

I do it for you,

For you, oh oh love.

And all that I do,

I do it for you,

For you.

Instrumental

And even if it all goes wrong

I know that I will still belong

I will have love

I am in love with you.

Yea I am in love, I will have loved

Oh love!

Chorus

And all that I do,

I do it for you, (I will give my love to you)

For you oh oh love.(I will give my love to you)

And all that I do,

I do it for you(I will give my love to you)

For you oh oh.(I will give my love to you)

And all that I do,

I do it for you, (I will give my love to you)

For you oh oh love.(I will give my love to you)

And all that I do,

I do it for you, (I will give my love to you)

For you.(I will give my love to you)

I will, I am,

I am in love with you.
