I live one day at a time  
I dream one dream at a time  
Yeasterday's dead and tomorrow is blind  
... and I live one day at a time

Guess that's your surprise to see me back at home  
But you know how much I miss you when I'm gone  
Don't ask how long I planned to stay it never crossed  
my mind  
I live one day at a time  
See that sparrow fly across the cloudy sky searching  
for a hatch of sunlight so am I  
Wish I didn't have to follow and perhaps I want in time I  
live one day at a time  
I live one day at a time...  
I live one day at a time
