"Somebody Knockin"

Somebody,
Somebody was knockin' on my door,
Somebody

Nobody,
Nobody was comin' 'round before
Weren't nobody

Was that the police or CIA
Or just some magazine?
Say, could be it's some lost friend,
I cannot say, say

Was a time I would not mind

I hear a knockin', I said
Shut that door

Seemed kind of funny
Seemed kind of funny
But I never was before
No, it never
Seemed kind of funny

Was that the police come again
Said some for the magazines
And could be it's some lost friend,
I cannot say
Shut that door!

Said somebody
Somebody was knockin' on my door
Somebody was knockin' on my door
Somebody was knockin' on my door
Somebody was knockin' on my door
Somebody was knockin' on my door
Somebody was knockin' on my door
