By the time you read these lines  
I know I'll be gone like the novel "Dear John"â€!  
By the time you read these lines  
I'll be gone  
I'll be gone  
I'll be gone  
I'll be gone  
I know that I will love you more I know I should love  
By the time you read these lines  
by the time you read this  
by the time you read this  
And here it goes:

Why you did not try to find the answer?  
It's a little bit of runaway, I still believe in yesterday  
Why you did not try to simplify? Find the answer  
It's a little bit of runaway, I still believe in yesterday  
I really don't care of what they say  
I still believe in yesterday  
I really don't care of what I'll say

Why you did not try to find the answer?  
It's a little bit of runaway, I still believe in yesterday  
I really don't care of what they say

Give me that good time, enough, tonight  
I don't know why  
Why you really don't care about my good sense  
I just don't care, I just don't care  
I just don't care about those magazines with their  
Cover - of the magazines -, when they say I'm such a  
pretty guy

Why you did not try to find the answer?  
It's a little bit of runaway, I still believe in yesterday  
I really don't care  
Why you did not try to find the answer?  
It's a little bit of runaway, I still believe in yesterday  
I really don't care of what they say  
I still believe in yesterday  
I really don't care

Really don't, really don't  
Really don't, really don't  
Really don't, really don't  
Really don't, really don't,  
I don't care  
You don't care  
They don't care  
Why?

Really care  
Really care  
Really care  
Why?

It's a little bit of runaway, I still believe and yet they say  
I really don't care of what they say

I'll say to myself  
What a wonderful world  
What a wonderful love
