

Gift, The "Driving you slow"

Visit "[Driving you slow](#)" on MotoLyrics.com

I will keep my helmet on
Finding someone that cares for you
And I
I will dress my songs cause I care for you
cause I
I will take my time driving you slow
Driving out cause I care for you
and then
someone loves you but I don't care for you
and I
I will get my love
cause I will be your love
oh no
there were times I could care for you
but then
I found that girl that's been smile for you
and I
start to be something
and I
I don't care
why should I care
I will get my life
cause I will be your life

Oh no

Don't look back
Don't look back
Don't look back
Don't look back

I will build my world
I will sing my songs
I will keep my helmet on

and I

I will build my world
I will sing my songs
I will keep my helmet on

and you can rule my world
you can rule my songs
I will keep my helmet on
And then

I will build my world
I will sing my songs
I will keep my helmet on

Oh no
Oh don't, don't, oh don't, don't
Find you someone that cares for you
and I
I will dress my songs cause I care for you
and I
I will take my time driving you slow
Driving out cause I care for you
And then
Someone loves you but I don't care for you
and I
You don't care
I don't care
cause I will get my love
and I will be your love
Oh no

Don't look back
Don't look back
Don't look back
Don't look back

I will build my world
I will sing my songs
I will keep my helmet on

and I

I will build my world
I will sing my songs
I will keep my helmet on

and you
can rule my world
you can rule my songs
I will keep my helmet on
and I

I will build my world
I will sing my songs
I will keep my helmet on

Oh no
Oh don't, don't, oh don't, don't
Oh don't, don't, oh don't

Don't look back
Don't look back
Don't look back
Don't look back

I will build my world
I will sing my songs
I will keep my helmet on

and I

I will build my world
I will sing my songs
I will keep my helmet on

and you

you can rule my world
you can rule my songs
I will keep my helmet on

and I

I will build my world
I will sing my songs
I will keep my helmet on
