Gift, The ''In Repeat''

Can you wait there for so long Can you be there if I fall Can you fall and stay strong Can you dry your eyes and laugh Can you show me your heart once more Can you breath a new life now Can I freeze this moment with you Can my hand fix your heart and you Did you ever touch the ground Can we sing 'out of time' in repeat, and look both of us underneath or forget and reset Cause the beat will change your life, and the sweat will turn you on, and your veins will shine outside
