Laura  
When you ran away  
You took the secrets away  
Cause Laura  
When you gone apart  
You took my heart away  
Laura  
Can't you see?  
You took my life away  
I'm lost  
In your crystal mask  
My Laura  
Oh Laura  
I'm lost  
In your crystal mask  
My Laura  
Oh Laura  
And the seconds turn to hours  
And the hours turn to days  
And the days turn to years  
Since you ran away  
Laura  
Can't you see?  
You took my life away  
I'm lost  
In your crystal mask  
My Laura  
Oh Laura  
I'm lost  
In your crystal mask  
My Laura  
Oh Laura
