You said: "I wanna to die for"
You cry and I'm repeating all the stories again.
You're standing there for so long,
And it's so hard, that I found, it's heaven in your
eyes.
Innocence, why? Why we survive?
It's you, and your three million ways to make noise.
You really don't know, you really don't see, you
really got a light, I'll find you
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
You're a nice and sweet boy
And you have a nice and sweet girl.
'Cause you're a nice and sweet boy and I
I wrote this song just for yourself.
Just say you can lie, dissolving all the truth of your
love
But you can't say no, but you try to, and I try to be
around you
Substitute your only trouble by a bottle full of water
just to prove this love about you
If someone ever found her, put a sign inside you:
"There's only one love.. And It's only one love.. It's
only your love."
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
You're a nice and sweet boy
And you have a nice and sweet girl.
You're a nice and sweet boy and I
I wrote this song just for yourself.
It's only your love.
It's only your love (It's only your love).
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
'Cause you are a nice and sweet boy and I
I wrote this song just for yourself.
You're a nice and sweet boy

And you have a nice and sweet girl.
You're a nice and sweet boy and I
I wrote this song just for yourself
