I am tired
Everyday the same songs
The same sounds
Produced by the same people
With their same smile tours
Even the strangers are always the same strangers
I would like to tell you something new
I can't cause I'm exactly the same
Nowadays
Does any man or any woman
Does anyone change anything?
Does any man or any woman
Does anyone change anything?
I would like to sing something
Not a love song or a sad song
I would like to make you smile
Because I think you've had enough
Nowadays you've had enough
Nowadays
Does any man or any woman
Does anyone change anything?
Does any man or any woman
Does anyone change anything?
Nowadays
I'm tired
I would like to tell you something new
I can't cause I'm exactly the same
Something new
Does any man or any woman
Does anyone change anything?
Does any man or any woman
Does anyone change anything?
I'm tired
I would like to tell you something new
I can't cause I'm exactly the same
Something new
I'm tired
I... I'm tired
I'm... I'm tired
I'm exactly the same
