Your love is a 187, takin' me to heaven,
It's killin' me your love should be this good.

Baby, I got to take this time to give you props
'Cause you been makin' me scream so loud
That my neighbours call the cops
You're like a gangstress of love,
So baby come and put your hit on me,
Your shot is a bomb and I'm always down for your L.U.V.

Your love is a 187, takin' me to heaven,
It's killin' me your love should be this good,
Your love is a 187, takin' me to heaven
Your love is so good, your love...

Baby, the things you do should be against the law,
But there ain't no law that says that you can't break me off,
Baby you can pump like a gauge
Or go faster than an automatic tank,
That's why a 187 is the way I describe your sex.

Your love is a 187, takin' me to heaven,
It's killin' me your love should be this good,
Your love is a 187, takin' me to heaven
Your love is so good, your love...

When you're humpin' and you're thumpin'
And you're makin' those sounds,
Moanin', groanin', baby, yeah,
Hope you go for soaking wet
'Cause we're moving all around,
We're movin' up and down,
Well I know you got the feelin'
when you're callin' my name,
I can hear you call my name
Over and over and over again,

Don't stop me there, dont stop me there.

Oh, yeah, now it's on, baby,
Here I come, watch your back now,
Now you swing on this one.

I'm yearnin' for your 187, drop the bomb on me,
I'm yearnin' for your 187, baby, drop the bomb on me,
I'm yearnin' for your 187, drop the bomb on me,
I'm yearnin' for your 187, baby, drop the bomb on me.
