[M: Groth, L: Persson]

When we had our vision, we started to work as priests
And then the bishop gave us a mission to fill
To seek and to find, all the fallen and the evil
And to cure all that's rotten in this town
We started to gather, all the people we needed to work
with us
People we trusted, to do anything that we asked of
them
Cause this quest will be cruel, and filled with blood
It's a price we must pay to our lord

Hear our holy voices
Cause we speak out for our God
And we follow his desires
Hear our holy voices
Cause we speak out for our God
And we follow his desires

The days were many, as we went on the crusade of
ours
Without hesitation, we sentenced them all to die
Cause we knew that our deeds were blessed by our
God
We were sent from heaven above

Hear our holy voices
Cause we speak out for our God
And we follow his desires
Hear our holy voices
Cause we speak out for our God
And we follow his desires

[Solo: Fredrik]

Hear our holy voices
Cause we speak out for our God
And we follow his desires
Hear our holy voices
Cause we speak out for our God
And we follow his desires
